Volunteer Advocates for Children in Foster Care

Saturday, Oct. 27, 2018 | 11:00 a.m. - 12:00 p.m.

There are over 30,000 children in the Los Angeles County foster care system, many having been removed from their homes because of abuse, neglect or abandonment. These children are forced to move from home to home and each time adjust to new caregivers, new schools, new teachers and new social circles. Many of them deal with this alone, but they don't have to! A Court Appointed Special Advocate (or CASA) is a trained, dedicated and caring community volunteer, who has the opportunity to broadly influence the life of a foster child by advocating across many important life issues, including permanent placement, health care, education, and enrichment activities. Many more children can thrive with the intensive intervention of a CASA volunteer. This class will teach you what you need to know to begin the process of becoming a volunteer advocate, so you can help reduce and reverse the effects of child abuse and neglect.

This class will provide an overview of child custody and visitation in family law cases, including what the court looks at in creating and modifying orders for custody and visitation. Immigration Enforcement (ICE): Be Prepared!

Saturday, Oct. 27, 2018 | 1:15 p.m. - 2:15 p.m.

Since February 2017, Immigration and Customs Enforcement (ICE) enforcement actions are targeting the sponsors of undocumented minors, as well as ICE officers arresting foreign nationals at home, and in areas once considered "sensitive" (e.g., schools, churches and healthcare facilities). If you are a foreign national residing in the U.S., you should know your rights. If you are detained, and you have children at home who depend on you for their care, you and your family should be prepared.
