## LIVE ZOOM: MCLE: Protecting Native American Graves and Artifacts

Tuesday, October 25, 2022 - 1:30pm - 2:30pm

CLASS WILL BE HELD VIA ZOOM. ZOOM INFORMATION WILL BE EMAILED TO REGISTRANTS PRIOR TO CLASS START TIME.

Protecting tribal cultural resources, including artifacts and funerary objects, presents a challenge, for tribes and those who wish to help preserve an important legacy, and also for developers, governments, and landowners who must comply with requirements. In this session, you will learn the basics of the federal Native American Grave Protection and Repatriation Act (NAGPRA) and the related California statute, CalNAGPRA. Attendees will learn about these laws, gain an overview of repatriation procedures, and learn how to approach issues of protection and repatriation with cultural sensitivity.

This class is intended for private attorneys, government workers, tribal members, and anyone with an interest in this important subject.

MCLE credit is only granted to attorneys licensed to practice law by the State Bar of California. Attorneys from other jurisdictions should contact their state bar to learn about credit reciprocity.
